

SNDE **SNH HEALTHCARE LIMITED**
(Formerly Known as Uttaranchal Biotech Limited)
Committed To Quality

Message from Director

Dear Valuable Customers,

At **SNDEV HEALTHCARE LIMITED** (formerly known as Uttaranchal Biotech Limited), we pride ourselves on helping every member of your family lead productive, healthy and high quality lives. We constantly strive to offer a unique range of products - from prescription pharmaceutical to over-the-counter treatments. Corporate Social Responsibility is very much part of SNDEV's fabric - we invest in people and environment through sponsorship and donations as well as compassionate care for those in need.

To best serve our clients we believe in establishing a range of international strategic partnerships to strengthen all activities from development and commercialization, product supply and marketing. We work continuously to consolidate a position as leading generic pharmaceutical company worldwide and as your trusted healthcare partner, providing you best in class products available.

Our knowledge, abilities, capability to innovate, productivity and our integrity enable us to be responsive to you and your family needs. We want to be your first choice.

We have proved successful in shortening of the development and commercialization process along with swift marketing authorizations to introduce new products to our markets supported by a harmonized production and distribution capability.

We welcome to you contact us - whether to enquire about our products or to offer your thoughts as to how we can best serve you.

Ashok Jain
(Director)

SND AT A GLANCE

- ❑ One of the fastest growing organization engaged in the manufacture & export of a wide range of pharmaceutical formulations for more than a decade
- ❑ Manufacturer & exporter of a wide range of formulations – Oral formulations (Tablets, Capsules) / Liquid Orals / Ointments / Creams & SVPs
- ❑ Equipped with World Class Machines
- ❑ WHO approved manufacturing plant, maintaining stringent quality and following yardsticks of cGMP, integrating new technologies
- ❑ Catering globally to Asia, Africa and Latin American Markets with presence in over 25 countries .
- ❑ Emerged as the most suitable partner and provider of Contract Research and Manufacturing Services (CRAMS) to our customers globally.

CORE COMMITMENTS

VISION

- ❑ To improve the quality of life by making available products of highest quality at affordable prices
- ❑ To ensure that quality becomes a habit, a commitment that finds expression at every stage from production, testing, marketing to employee relations

FOOD SAFETY & DRUGS ADMINISTRATION, AUTHORITY
DIRECTORATE GENERAL OF MEDICAL HEALTH AND FAMILY WELFARE, SAHASTRADHARA ROAD, DEHRADUN

File no. 17P/196/2007/ Date: 10 Apr, 2023

Certificate of Good Manufacturing Practices

Certificate no.: 17P/196/2007/ 5267

On the basis of the Joint Inspection carried out on 28-03-2023 and 21-03-2023, we certify that the site indicated on this certificate complies with Good Manufacturing Practices for the dosage forms, categories and activities listed in Table I.

1- Name & Address of site:

M/s. Uttaranchal Biotech Limited,
 Jai Nagar No-3, Dineshpur Road,
 Rudrapur Distt.- Udham Singh Nagar,
 Uttarakhand,

2- Manufacturer's License number:
 Form 25- 87/LA/2007
 Form 2B- 96/LA/SCLP-2007

3- Table I:

Dosage form(s)	Activity(ies)
Tablets	Manufacturing
Capsules	Manufacturing
Oral Liquid	Manufacturing
Sterile Ointments & Non-sterile Ointments	Manufacturing
Parenterals (Liquid Ampoule & Vial) and Dry Powder	Manufacturing

The responsibility for the quality of the individual batches of the pharmaceutical products manufactured through this process lies with the manufacturer.

This certificate remains valid until **04-04-2026**. It becomes invalid if the activities and/or categories certified herewith are changed or if the site is no longer considered to be in compliance with GMP.

The firm is following **Good Manufacturing Practices** as per **World Health Organization (WHO) TRS Guide Lines**, in the Manufacturing & testing of the said categories of Products and hence in respect of which the Certificates of Pharmaceuticals products have been issued.
